SupplyOn Store Process Description

Login as Guest or with your SupplyOn User

› Logon to SupplyOn

- Click on “Guest Checkout”

The screenshot shows a navigation bar at the top with three tabs: 'Cart' (checked), 'My data', and 'Complete'. Below the navigation bar are two main panels. The left panel is titled 'Log in with SupplyOn user' and contains the text 'You can log in with your existing SupplyOn user in the Store.' and a green button labeled 'Login with your SupplyOn user'. The right panel is titled 'Guest Checkout' and contains the text 'You don't have a SupplyOn user? Finalize your purchase by clicking on 'Continue as Guest'.' and a green button labeled 'Continue as Guest'.

- Enter your Company data (My data) and enter Billing information (Billing contact) and click on “Next”

The screenshot shows a form with four sections: 'My data', 'Billing contact', 'Service contact for Connectivity/Odette ID', and 'Service contact for EDI Service'. The 'My data' section has a checkbox for 'Billing address is the same as company address' and input fields for 'First name' (with a 0/50 character count) and 'Last name'. The 'Billing contact' section has input fields for 'First name *', 'Last name *', and 'E-Mail *'. The 'Service contact for Connectivity/Odette ID' section has a checkbox for 'Same as profile data' and an input field for 'First name *'. The 'Service contact for EDI Service' section has a checkbox for 'Same as profile data' and an input field for 'First name *'.

SupplyOn Store Process Description

Buy

› Accept Terms and conditions (general and for EDI integration Services)

- Click on “Buy now”

The screenshot shows a form with two checkboxes and two buttons. The first checkbox is labeled "I am accepting the Terms and conditions *". The second checkbox is labeled "I am accepting the Terms and Conditions for EDI Integration Services (TCE 1.0) *". Below the checkboxes are two buttons: "Back" and "Buy now".

› Once EDI Order placed, you are receiving an Order Acknowledgement

› With placement, a workflow is started:

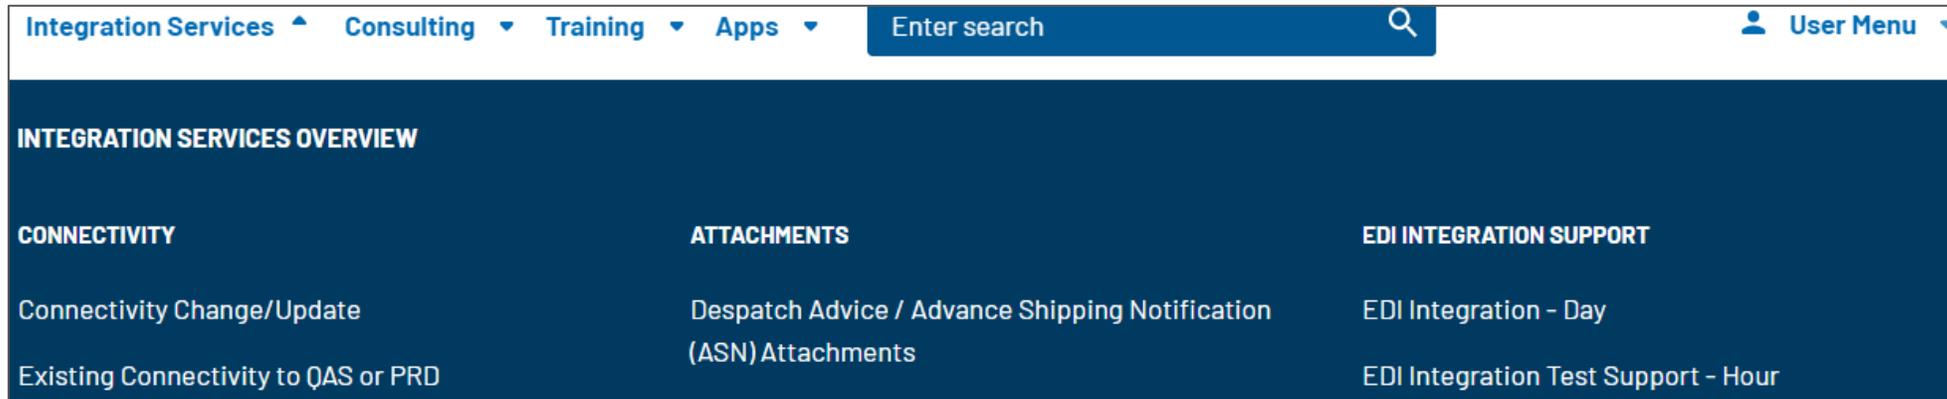

- Notification about new order placement to SupplyOn 1st Level Support Team (Integration-Service@SupplyOn.com)
- A ticket is opened automatically
- The Order is validated by our 1st Level Team
- If all is validated successfully, the 1st Level Team creates a Project and released the Order to the EDI Management

SupplyOn Store Process Description

EDI Integration Support

[Next Slide](#)

- › Link to: [Store](#)
- › To order the relevant products, click on:
 - In the Menu Bar “**Integration Services**” and go to “**EDI INTEGRATION SUPPORT**”
 - “**EDI Integration – Day**” or “**EDI Integration Test Support – Hour**”

The screenshot shows a navigation bar with the following items: Integration Services (with an up arrow), Consulting (with a down arrow), Training (with a down arrow), Apps (with a down arrow), a search bar with the text 'Enter search' and a magnifying glass icon, and a User Menu (with a down arrow). Below the navigation bar is a dark blue menu titled 'INTEGRATION SERVICES OVERVIEW'. This menu is organized into three columns: CONNECTIVITY, ATTACHMENTS, and EDI INTEGRATION SUPPORT. Under CONNECTIVITY are 'Connectivity Change/Update' and 'Existing Connectivity to QAS or PRD'. Under ATTACHMENTS are 'Despatch Advice / Advance Shipping Notification (ASN) Attachments'. Under EDI INTEGRATION SUPPORT are 'EDI Integration - Day' and 'EDI Integration Test Support - Hour'.

CONNECTIVITY	ATTACHMENTS	EDI INTEGRATION SUPPORT
Connectivity Change/Update	Despatch Advice / Advance Shipping Notification (ASN) Attachments	EDI Integration - Day
Existing Connectivity to QAS or PRD		EDI Integration Test Support - Hour

- › “EDI Integration – Day”
 - Minimum order quantity is 1 Day = 8 Hours
 - 8 Hours à 180,00 €/hour = 1.440,00 €
- › “EDI Integration Test Support – Hour”
 - Minimum order quantity is 1 Hour
 - 1 Hour = 180,00 €

SupplyOn Store Process Description

EDI Integration Support
